

ARTICLES OF ASSOCIATION

of

SKANSKA AB

(Corp Reg. No. 556000-4615)

adopted at the Statutory General Meeting of Shareholders on February 25, 1887 and changed most recently at the Annual General Meeting on April 3, 2014.

§ 1

The registered name of the Company is Skanska AB. The company is a public company (publ).

§ 2

The object of the Company's operation is – directly or through subsidiaries – to conduct operations focused on the areas of construction, development of and investment in residential properties, commercial properties and infrastructure, as well as asset management – but not operations mandated by the Act (2004:297) on Banking and Finance Operations – and pursue other operations related to the above.

§ 3

The registered office of the Board of Directors is the Municipality of Stockholm.

§ 4

The Company's share capital shall amount to not less than SEK 1,200,000,000 (one thousand two hundred million) and not more than SEK 4,800,000,000 (four thousand eight hundred million).

The number of shares shall be a minimum 400,000,000 and a maximum 1,600,000,000.

§ 5

The shares shall be issued in two series, designated Series A and Series B. Series A shares may be issued in a number not exceeding 108,920,000 and Series B shares in a number not exceeding 1,491,080,000. Series A and Series B shares carry equal rights to the Company's assets and profits.

If the Company decides to issue new Series A and Series B shares through a cash issue or an offset issue, owners of Series A and Series B shares shall have preferential rights to subscribe for the same type of shares in relation to the number of shares already held (primary preferential right). Shares not subscribed for on the basis of primary preferential rights shall be offered for subscription to all shareholders (subsidiary preferential right). If the number of shares offered in this manner is insufficient for subscription based on subsidiary preferential rights, the shares shall be distributed in relation to the number of shares already held and, to the extent that this is not possible, by lottery.

If the Company decides to issue new shares solely of Series A or Series B through a cash issue or an offset issue, all shareholders, regardless whether their shares are Series A or Series B, shall have preferential rights to subscribe for new shares in relation to the number of shares already held.

If the Company decides to issue share warrants or convertibles through a cash issue or offset issue, the shareholders shall have preferential rights to subscribe for share warrants as if the issue applied to the shares that may be newly subscribed for as a result of the warrant rights, or shall have preferential rights to subscribe for convertibles as if the issue applied to shares for which the convertibles may be exchanged.

The aforementioned stipulations shall not constitute any infringement on the possibility to make a decision regarding a cash issue or an offset issue in which the preferential rights of shareholders are waived.

If the share capital is increased through a bonus issue, new shares of Series A and Series B shall be issued in relation to the number of shares of the same series already held. In such cases, old shares of a specific series shall carry entitlement to new shares of the same series in relation to their proportion of the Company's share capital. The aforementioned stipulation shall not constitute any infringement on the possibility, following a requisite amendment in the Articles of Association, to issue shares of a new series through a bonus issue.

§ 6

The Board of Directors, with regard to members elected by shareholders at the Annual General Meeting, shall consist of not fewer than five and not more than ten members, with not more than three deputies.

§ 7

The Company's fiscal year shall be the calendar year.

The latter mentioned day must not be a Sunday, any other public holiday, a Saturday, Midsummer's Eve, Christmas Eve or New Year's Eve and must not be more than the five weekdays before the Meeting.

Shareholders attending the Annual General Meeting are entitled to bring one or two assistants, but only if the shareholder has notified the Company of such in accordance with stipulations of this paragraph.

§ 10

Series A shares entitle shareholders to 10 votes each and Series B shares entitle shareholders to one vote each.

Holders of Series A shares are entitled to submit requests to the Company for conversion of their shares to Series B shares. Share conversion requests must be submitted in writing to the Company's Board of Directors, including specifications of the number of shares to be converted. The Board of Directors shall, without undue delay, apply for re-registration of the shares and, if the request pertains to shares that represent one percent, or more, of total voting rights in the Company, publicly announce the conversion. Conversions of shares are considered complete upon registration.
